Some people's lifelong ambition is to get beyond the velvet rope into a swanky VIP room of their favorite nightclub or to have the right car. But for cunt lovers anywhere in the world, the ultimate ass-piration is to get deep inside the velvety hole of someone like Candice. The good thing is, Candice is such a cock hungry slut, she can't wait to stuff things in her slit on a regular basis, so your lofty goals of getting inside her gash are based on whether or not your dick game is good enough. So, do you have what it takes to get in there?

CAPRI CAVANNI

MAIA DAVIS

SADIE HOLMES

CAMERON DEE

TIFFANY TYLER

For some people, there is nothing quite like a pair of great legs. Imagining sculpted stems decorated in silk stockings offers enough of a visual impact to keep your blood flowing and your balls tight. This scenario becomes exponentially more explosive if you're on the receiving end of such a sexy surprise. In fact, the fantasy of nylon-clad legs extends even further to satiate our other senses beyond our immediate sense of sight. Even the sound of fingernails running up and down the length of nylons, or teeth tearing into fishnet stockings can be quite erotic. Perhaps it's the anticipation of feeling the soft skin underneath, or maybe it's the thought of smelling or tasting the moist pussy that's locked inside that gets us going. What ever the case may be, we can all agree that bodacious babes in naughty nylons are hot!

Interesting in uncovering the eroticism surrounding this fascination, director Mike Quasar, along with a laundry list of sexy starlets, have come together in *Nylons 10*, his latest wall-to-wall offering for Third Degree Films. Together, they plan to get to the root of this kinky fetish and have graciously offered us a ringside seat into their glamorous world of lusty ladies with luscious legs. With that said, are you ready to participate in the ultimate spread session? Let's begin!

“Wait until you see the girls,” Quasar boasts, as he graciously allows us to step inside of his sexual wonderland. Just then, brunette goddess, Capri Cavanni, comes sauntering into the expansive bathroom, wearing a white bra and panty set that perfectly accentuates her beautiful bongo boobs. Bending and twisting for her handsome director, Capri gushes, “I can’t wait to put these stockings on.” As she playfully sucks on the lacy edges of her white stockings, the sound of boners popping and pussies dripping begins filling the airspace with our sexual angst.

Finally, after some stellar images are captured, Capri sits on the edge of the porcelain tub and begins decorating her legs with the expensive nylons. As she pulls the thin material over her curvy calves, we can hear the sound of her natural nails scratching into the see-thru material. That minor detail serves as an extremely arousing precursor for the animal sex that is moments away!

Just then, James Deen strolls onto the scene and leads her to a blue sofa. Excited to wrap him up in her love, Capri straddles his lap and fills his mouth with overflowing mouthfuls of her bountiful boobs. “Do you like my titties?” she questions, watching him latch onto her fat nipples like a newborn baby at feeding time.

Soon, Capri is lying on her side, as James scoots his fat cock into her freshly shaven snatch in spoon position. Sinking right into her moistened wetlands, there is no need for synthetic lubrication here. Capri is naturally wet and ready to roll, as evidenced by a beat red pussy and a cherry-sized clit that is leaking its juices down her silky stems. Hooking her legs around his forearms, James masterfully bends and twists Capri to his will, getting the most mileage out of her in this position.

It’s a tremendously strong start, indeed, despite the fact that there wasn’t too much emphasis given to Capri’s legs, feet, or to her nylons. Since this is the usual focus in previous installments of this winning series, we were a bit unsure about this new formula. Nonetheless, their scene was hot, with Capri and James acting as energetic as one could hope for!

Maia Davis, a tall blonde with smallish tits, continues the show by rocking her hips for the camera. In an effort to show off her black stockings and her slender frame, Maia positions herself on a mounted sex swing and sways in a circle to offer the camera an unobstructed view of her assets from every angle. As she continues pleasing Quasar's lens, we can see that her lean body is nicely decorated with plenty of colorful tattoos that make her look like a total slut. “I want to be a very bad girl today,” she teases, calling John Strong into action by beckoning him in with her fingertip.

After watching her tease session on the sidelines, John bursts onto the scene. Once connected, he playfully squeezes her ass and kisses his way around her naval. As goose bumps begin filling her frame, we all begin to notice a wet spot beginning to form and pool in the crotch of her pink panties. John notices it too. Slamming right into action, he probes the depths of her pussy with his fingers and preps her hole for the dicking that is to come.

Noticeably much taller than her veteran stud, Maia splits the difference between them by resting on her knees to blow his hard cock. Demonstrating solid cock sucking skills, Maia clearly knows her way around a meat stick. With spit bubbles pouring from her lips and sexy spit stringers connecting her tongue to his shaft, we can only imagine how good John is feeling at this very moment. “Fuck yeah,” he moans, letting us all know just how good of a job Maia is actually doing.

Once he’s spit shined, John buckles Maia in half and gets to work in doggie position. With the camera wedged in as close as possible, we can see every nuance of Maia’s muffin getting stretched and buttered. Just to show off the tight space he’s

working in, John unlatches his cock from her hole to give the camera a look at her insides. “How do you like that?” he boasts, as Maia screams her head off and then turns dead silent. Unsure about what's just occurred, we continue watching with mild concern. Suddenly, after a few more moments have elapsed, Maia busts out with a gut wrenching exhale that let's us know that she’s simply having the time of her life!

Meanwhile, we find Mark Wood face deep in Sadie Holmes’ pretty pussy. Making chainsaw chugging sounds, it becomes quite evident that Mark is getting more than just a mouthful. “Tongue my asshole,” she pleads, bucking her legs back so that we are now able to see that Mark’s entire mouth is draped over her pussy and her ass. Moaning with delight, it takes but a few more moments before Sadie is gushing with a climactic rush that makes her black stockings wet! “Keep it coming,” she begs, as Mark stays latched onto her loins with a kung-fu grip that turns his face all red.

Now arranged in a languid spoon arrangement, Mark slips his cock into her vagina. Swirling his hips around, it becomes apparent that Mark is covering his cock with her girly goo before he continues pounding her to a pulp. Once he’s juiced up and ready to roll, he power plugs her pussy like a sledgehammer breaking apart chunks of cement. Howling like a monkey, it is likely that Sadie has never been fucked this hard before in her entire life.

“Down to the balls,” she later hisses, demanding even more than what the veteran stud had been previously dishing out. With his interests now peeked, he pulls his dick out and begins smacking his helmet head against the hood of her clit until the dirty debutant begins simmering down. After plenty more positions are divvied out, he sets her up in front of his legs and uses her pearly whites for target practice. Although hot, we’ve still yet to see any form of leg manipulation or stocking play that is par for the course for this genre of production.

In the final encounter witnessed, we find Cameron Dee, a stacked blonde with natural tits and a bubble butt, licking her lips for the camera. A beauty by any unit of measure, it's virtually impossible to peel your eyes away from her sun kissed curves, 1,000-kilowatt smile, and her fine silk stockings.

James Deen, her cock du jour, seems to agree. Bursting onto the set, James doesn't waste any time at all. Starting at her feet, James removes her sexy booties, and begins raking his teeth against her black nylons. As the electric sound fills the room, we can see Cameron's nipples beginning to respond to James' naughty manner. "I like that," she smiles, allowing James to lick her toes and smell her arches.

As temperatures continue to rise, James fishes her out of her right stocking and shoves it into her mouth. After a sultry French kiss that fuses their lips together, he ties the shredded stocking around her neck and then around her tits. This causes the blood to pool around her nipples, much like the effect that occurs when you tie a piece of dental floss around your fingertip. Gorging himself on her reddening nipples, we finally see someone making great use of the stockings! Yes! Finally! He continues his stocking seduction by opening the stocking up and cupping her entire tit inside of it. "You're so damn sexy," he continues, pleasing this woman like no other man has done before.

Feeling friskier than ever, their scene evolves into more stocking manipulation. Especially hot is when James molds the stocking around her head like a sexy bandit when she's blowing his cock. From here, he treats her to the kinkiest sex of her life, offering us lasting sexual effects that are out of this world!

Just like poetry in motion, our time on set ends here, despite the fact that we'll be missing Tommy Pistol screw the stockings off of Tiffany Tyler. Let's just say that we have enough reserves in our nylon fetish file to keep us happy for a long time running. After experiencing the movie in its entirety, we're quite confident you'll feel exactly the same way.

barbara

let's get freaky

The line between love and lust can get a bit blurred sometimes. For Barbara, the true "what the fuck?!" moment came when she introduced a pussy pump to her man, Denis. He wasn't sure why she'd want a bigger pussy, but why overthink things? Within a few minutes, her swollen slit was begging to be banged and banged it was! Barbara's cunt, now more sensitive than ever, gave her seven orgasms in a row and she was ready for more but Denis had to pop in her mouth. You know, before things got weird.

INTERVIEW WITH A PORN STAR

LONDON KEYES

30646

COSMETICS, COFFEE AND CUM!

READ ALL ABOUT THE ASIAN SWEETHEART'S ROAD TO PORNO AND HOW HER PERFECT TITS, BJ SKILLS AND ELASTIC ASSHOLE MAKE HER A LIVING LEGEND!

Interview by Emma Edwards

How did you break into the adult industry?
I got into the adult industry through a friend of mine who was dating Summer Bailey at the time. Very quickly thereafter, I joined Type 9 Models and was with them for a few years before switching over to Spiegler Girls. I'm going on five years of being in the adult industry. Time is flying by.

What jobs did you hold prior to porn?
I was a very busy girl. I had three jobs. One of which was working in a salon doing hair, after receiving my cosmetology license. The second job was working in a coffee shop. And, my third job was working at night as a stripper.

Are there any advantages of being an Asian porn star?
In some respects, I'd have to say yes. For one, I am not a typical Asian girl. I have a thick ass and naturally large breasts, which is not the normal body for an Asian woman. On top of that, there

aren't too many Asian girls in the industry that have made a solid name for themselves, aside from me, Asa Akira and Jessica Bangkok. This sets me apart from the majority of porn stars.

What is your ethnicity?
I'm half Japanese and half Caucasian. My mother is Japanese and my father is a white boy from Kentucky.

Since so many female porn stars have boob jobs these days, have you ever considered altering your breasts?
I have considered it. Sometimes, I really want to get it done. Other times, I question how that choice would affect my work. I'm also aging, so getting a boob job is something that's definitely on my mind. Believe me, I go back and forth on this one. For one, there aren't too many girls in the industry, Asian or not, that have natural breasts.

We think your tits are magnificent. We definitely don't think you need to do a thing!
Thank you! I've done my research and have the 411 on the top doctors. We'll see.

Are there any disadvantages of being an Asian porn star?
Of course, there are some disadvantages. If the role calls for a beautiful blonde with big, fake tits, I'm never going to fit that role. *(Laughs)* I'm totally assed out of the blonde girl roles. Even though I'm half white, I don't even fit into the white girl role either. I make up for it in other ways and in other genres. Remember, I am an Asian girl with big, natural tits and an elastic ass!

Which porn stars do you most enjoy working with?
Like most girls, the usual suspects would land on my list. They would include: Manuel Ferrara, Toni Ribas, Jon Jon, James Deen, Mr. Pete, Prince Yahshua and Mr. Marcus before the big syphilis scandal happened. As far as the girls go, I don't really have the opportunity to work with many of them. Of the ones I've worked with, I've loved Kristina Rose, Asa Akira, Christy Mack, Jada Stevens and Charley Chase. Actually, Charley was my all time favorite, but she's retired now.

We've seen you in a fair amount of interracial scenes, do you prefer working in interracial (IR) productions?
Yes, I do enjoy participating in IR movies. For me, there is a big difference between black performers and other performers. IR guys usually don't have issues regarding sex. They are there to have fun, get down and have hot sex. Other performers seem to have a bit of an ego about their scenes and I'm not really down with that drama. I just want to fuck. Black guys like to fuck!

Speaking of Prince Yahshua, has he implemented his signature move on you whereby he spins you topsy turvy, literally?
That upside down flip thing? Yes! What is that about? That guy is so acrobatic. Having sex with him is a great time. He contorts you into these crazy positions and through it all, his dick stays inside. The Prince has skills.

Which celebrity makes you wet?
People are going to think I'm nuts, but I love Mickey Rourke. Yes, he was way hotter years ago, but he's still hot to me now. I've always had a crazy mad crush on him. It's the bad boy thing. I love me some bad boys. Trust me, I really don't find him too

attractive. Shit, there's just something about that man that drives me wild. I also love Gerard Butler. Most girls would jump on the bandwagon with that choice though. He is smokin' hot!

London, it sounds like you've got a definite soft spot for bad boys. Is that true?
Yes! I love bad boys. They are fun and they usually fuck very well!

It's 4:30PM. When was the last time you had sex?
About thirty minutes ago!

> "Anal sex feels awesome... Your asshole is stretched open. Things are tight. There is a dick rounding out your butt...The pressure is on.

Wait, is that why you were late for this interview?
Yes, that would be why. I was totally getting it in! *(Laughs)*

Do you cum harder from vaginal or anal sex?
Luckily, I am able to cum hard from both holes. Really, the intensity of the orgasm depends on the person helping me achieve it. Anal sex feels awesome. Anal sex is impossible to fake. Your asshole is stretched open. Things are tight. There is a dick rounding out your butt. The intensity is heightened. The pressure is on. It's either going to feel good or it's not. You can't cheat this. The camera will know. Vaginal sex is easier to fake, if you're really not into it.

Are you able to cum from your asshole and your pussy, simultaneously, while being double penetrated (DP'ed)?
Sure, it is possible. However, for me, I need to be using a vibrator while my ass is being pounded. For some reason, that seems to be my secret recipe.

Are you able to have squirting orgasms?
I have squirted four times, although I wouldn't classify myself as a squirter. I have had instances of squirt, but they are few and far between.

Who are your favorite directors to work with?
Jonni Darkko and Belladonna are great directors to work with. There are also a few great directors from Brazzers that I enjoy working with, although they remain uncredited in their movies. Robby D from Digital Playground is another favorite. His work and vision are astounding. I love being a part of his movies.

If you weren't a porn star, what would be your ideal profession?
Since I love doing hair and make-up so much, I'd probably go back to a career in that field. I love doing my own make-up. It's fun watching my look transform.

Do you do your own hair and make-up for your productions? As they say, do you come to set "make-up ready"?
A lot of the time, I do come onto set, 'make-up ready'. I enjoy doing it and it saves some time.

Are you into PDF (public displays of fucking) in your personal life?
Yes! Yes! Yes! I've had sex in a parking garage, in an alley and in the street. I'm a dirty girl!

Where can a person kiss you to turn you on the most?
That's an easy question. My neck.

What is your strongest sexual skill?
I give one hell of a blowjob. I also can give up some great asshole too. And, let's not forget about my vagina. She's tight too. I don't know. Pick one of my three holes. They are all good!

What type of porn do you enjoy watching?
I love watching hardcore, Gonzo, anal porn. Hard anal sex makes me hot! I prefer Euro porn to American porn. I know everybody in American porn, so it ruins the fantasy for me. This is especially true if the person has rubbed me the wrong way. It's just too much work.

Is there a dream performer that you'd love the opportunity to work with?

I've already worked with most of the people I've ever wanted to work with. The last one was Nacho Vidal, but I've since worked with him...plenty of times. There is hardcore, super hardcore and then there is Nacho Vidal!

Considering his sexually aggressive style, were you nervous to work with Nacho Vidal?

Yes, I was a little nervous to work with him for the first time. Let's face it, his dick is the size of a beef burrito. The scene was for Evil Angel and it was an all-anal scene. HARD ANAL. It was so damn good. While fucking Nacho, you never know what moves he's going to pull on you or where you are going to end up. I also shot a DP scene with Nacho and Toni Ribas. On that day I said to myself, "Asshole, don't fail me now!"

What annoys you about porn?

I hate it when girls sign up for lesbian scenes despite the fact that they are not sexually turned on by women. That shit irritates me. In those instances, I have to work twice as hard to carry the scene and pick up her slack. I never want to deliver a mediocre scene for my fans. If I have to work my scene from all angles, I will, in order to save it. It's like, "Bitch, you shouldn't have signed up for this job! You're making everybody's lives miserable...especially mine!"

What delights you about porn?

I'm able to explore all depths of my sexuality and am not judged for it or by it. I'm also around very interesting people all the time and get to have amazing sex. If people discover that I am the ultimate pervert, which I am, it's all the better in this arena. All pervs are welcomed here!

CODE OF HONOR ⚡⚡⚡⚡⚡

(Digital Playground) Starring: Jesse Jane, Kayden Kross, Riley Steele, BiBi Jones, Selena Rose, Stoya, Brooklyn Lee, Tasha Reign.

Jesse Jane and her elite crew of crime busting babes come out of retirement for one last mission to save Selena Rose from captivity. This is the erotic undertaking in director Robby D's salacious new scandal. With breathtaking boat chases, sexy shootouts, helicopter drop offs and plenty of hardcore sex, this is one mission you won't mind surrendering to! The story kicks off at a glamorous pool party whereby Manuel Ferrara is stacking Brooklyn Lee and Tasha Reign on top of each other like hot cakes, fucking both bitches until they butter. Before the mission begins, Jesse decides to have one last hurrah with her unsuspecting fiancé, Keiran Lee. Crawling atop his body like a sexy spider, she plays ping-pong with his pecker and treats his cock like her own personal piston in plenty of heart pounding positions. Next, Erik Everhard pays back his debt to Riley Steele by devouring her juice box and making her cum in cowgirl. When finished there, James Deen tries to return some library books to Stoya, a staunch librarian. Oddly turned on by her kinky display, James goes along with her sexual domination and watches as Stoya ingests his dick for dinner. With multiple teabaggin' sessions and plenty of anal, it becomes clear that Stoya's asshole is the ultimate weapon of mass destruction!

BEST NEW STARLETS 2013 ⚡⚡⚡⚡⚡

(Elegant Angel) Starring: Riley Reid, Maddy O'Reilly, Remy LaCroix, Jessie Rogers, Mischa Brooks, Anikka Albrite.

Featuring six of the hottest new starlets, director William H. expertly assembles one of the strongest sexual productions of the year. Through crisp directing and with high production values, expect perfection! Riley Reid, a snack-sized starlet, looks tempting in a purple bra and panty set. Teasing the camera and Manuel Ferrara, she energetically takes his French baguette in doggie as he stuffs her asshole full of fingers...four deep! Meanwhile, Anikka Albrite delights the camera with a candid interview. Once warmed up, Mick Blue smears her across a sofa, tearing into her pretty pussy. Taking his onslaught of cock like a good little whore, Anikka demonstrates why she belongs on this list. Jessie Rogers, a bodacious blonde, continues the show with Manuel Ferrara. Looking glamorous in black lingerie, Jessie demonstrates her cock sucking skills by tossing his salad and sinking his croutons. Taking him deep in all three holes, Jessie is clearly a leader of the pack. Making out like horny teenagers, Remy LaCroix and Mischa Brooks are perfectly matched. Lighting up the scene with sensual kissing, these girls do the best work when wedged between each other's thighs. Hot! Maddy O'Reilly, a natural beauty, ends the show by teasing the camera by a bank of windows. Later, she connects with Manuel Ferrara to deliver an expert scene that is well beyond her years!

SHE-HULK XXX: AN AXEL BRAUN PARODY

(Vivid Super Heroes XXX) **Starring: Chyna, Gracie Glam, Alexis Ford, Jennifer Dark, Tara Lynn Foxx.**

After succumbing to a near fatale gunshot wound and a mysterious blood transfusion, Gracie Glam is unsure about what (or whom) will manifest as a result in director Axel Braun's latest superhero endeavor. Aside from solidifying Chyna as a bona fide porn star, this production offers exuberant characters and gobs of green gash! The saga begins with Gracie Glam trying to seduce Mark Wood (Blake Tower) into offering her client full immunity. Just to stack the cards in her favor, she devours his cock and allows him to fuck her pussy at will. Back to present time, Gracie morphs into *She-Hulk* (Chyna) and crashes through a bank of windows, landing at the home of Ryan Driller (Reed Richards) and Alexis Ford (Sue Storm), two mad scientists. This meeting quickly leads to hot lesbian sex that has Alexis salivating at the mouth and her pussy lips green with envy...literally! As *She-Hulk* leaves, Jennifer Dark's (Madame Hydra) hooded assailants assault her. This then transcends into watching the green drone pound the stuffing out of his mistress's moist muffin in a myriad of great positions. Meanwhile, Gracie escapes their evil clutches and morphs back into *She-Hulk*. Now, with knowledge of Madame Hydra's plan, she continues her mission to avenge her perpetrators, but not before knocking boots with Eric Masterson (Hawkeye). Pow!

TEENS IN TIGHT JEANS 3 ⚡⚡⚡

(Third Degree Films) **Starring: Zoey Nixon, Lola Foxx, Madelyn Monroe, Sadie Holmes, Stacie Jaxxx.**

Enamored by hot *Teens In Tight Jeans*, director Mike Quasar assembles a hot cast of industry up ‘n comers whose sole purpose is to get you off. Although there are incredible moments in each of the five featured scenarios, this edition falls a tad short when compared to its searing predecessors. Stacie Jaxxx, a busty blonde, begins by squishing her natural breasts together as if squeezing rolls of toilet paper. Later, John Strong takes down her jeans and grabs a handful of thick ass before bending her in half to do some decent damage in standing doggie. When that scene concludes, we find Mark Wood slapping the curve of Lola Foxx’s ass with his cock. After some major booty service is delivered, Mark hammers her hole in missionary position, causing her teen twat to visibly expand! Later, Sadie Holmes continues the skin show with Tommy Pistol. Together, they do their best work in cowgirl position, despite the fact that they decide to forgo the jeans midway through. From here, Madelyn Monroe looks great when taking the reigns from Will Powers in a passionate spoon spread that causes her mascara to run down her pretty face. Although sizzling, it’s Zoey Nixon’s steaming sex hole and rocker chic vibe that ultimately steal the show!

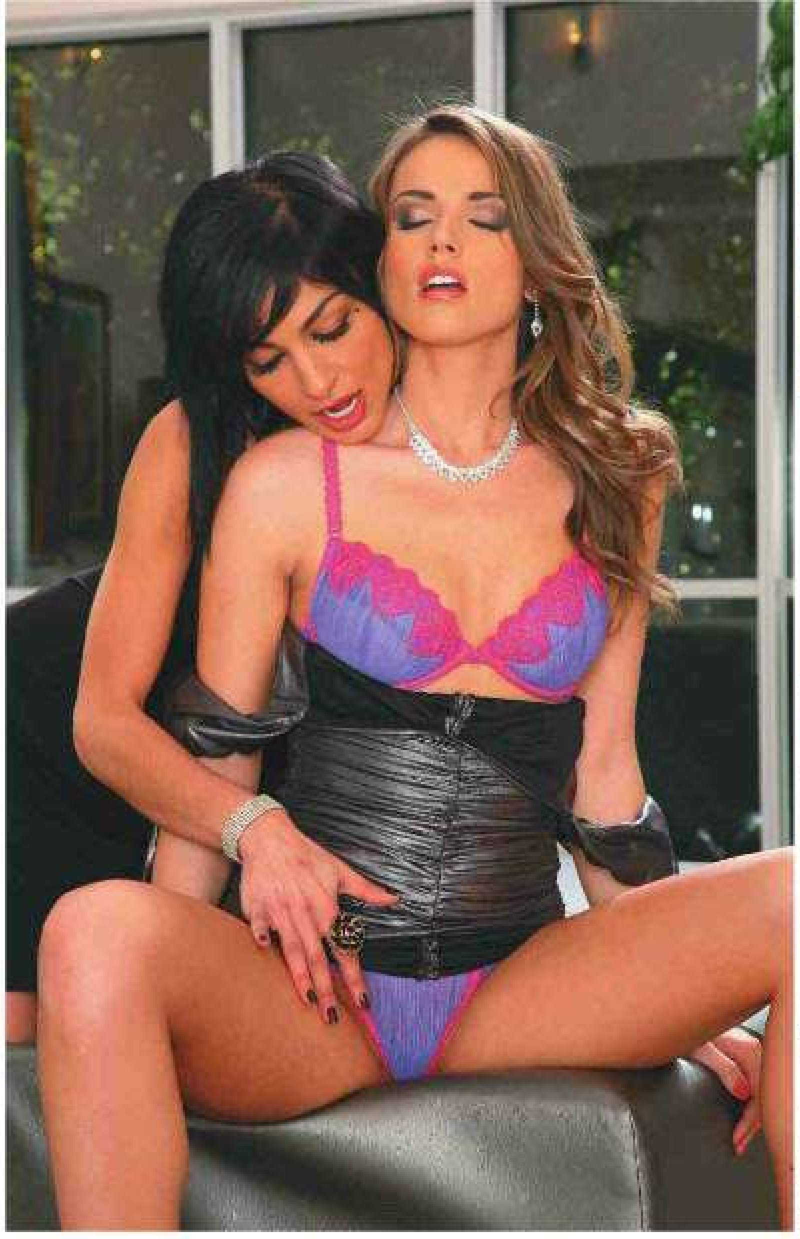
persia pele & tori black

closet cougar claims cute cunny



The first time Tori Black was fucked by an older woman it was the day before her senior prom. “My boyfriend was hot as shit,” she recalls. “And so was his mother! I couldn’t believe it. I had stopped by to pick up a book I’d left in his car and the door was unlocked and there she was: his mom was topless with her hands down her panties. She called me over and had me take my clothes off. I sat on her face and she ate my cunt like it had never been eaten. Then she made me lick her slit (my first) and proceeded to fuck me with a big rubber cock while she tongue fucked my asshole! Then she said not to tell her husband or anyone else! I never said a fucking word...until now!”

cayenne & stella

that's what friends are for

Poor Stella! Her man just dumped her and it was brutal. Luckily, she has a friend like Cayenne who is always willing to go the extra mile to cheer up her friends. In this case, Cayenne felt that a broken heart needed a good hard dick, and she was right. As requested, Cayenne's boy toy had no problem sticking his meat deep inside Stella's sweet slit and super tight asshole; in fact he was more than happy to oblige! But don't worry, even though he banged Stella back to normal, he had more than enough to give Cayenne a good slam before he creamed on the two BFF's beautiful faces! What a pal that Cayenne is!
